CONDITIONS OF SUPPLY

The Sewerage Code of Australia (Hunter Water Edition) and Water Supply Code of Australia (Hunter Water Edition) described below as The Codes are supplied subject to the following conditions and understandings:

- i. The Codes are copyright and apart from any use as permitted under the Copyright Act 1968, no parts of the documents may be sold, reproduced, stored in a retrieval system or transmitted in any form or by any means without the prior permission in writing of Hunter Water.
- ii. The Codes are intended for use in connection with Hunter Water related projects only.
- iii. Hunter Water accepts no responsibility for the incorrect application of the codes
- iv. Hunter Water does not warrant the applicability of The Codes in areas outside Hunter Water's area of operations.
- v. The purchaser acknowledges that The Codes may contain errors and/or omissions.
- vi. Hunter Water Corporation accepts no responsibility for any works or parts thereof which may contain design and/or construction defects due to errors or omissions in any part of The Codes.
- vii. Amendments to The Codes will be sent to the email address notified at the time of initial purchase or any subsequent address notified by the purchaser. The purchaser will be responsible at all times for maintaining an accessible email address.
- viii. The purchaser of The Codes must promptly acknowledge receipt of all amendments issued and attach all amendments to their copy / copies of The Codes
- ix. The purchaser acknowledges and accepts that the general information (non-financial information) supplied to WSAA, will be shared with Hunter Water for the purposes of managing and maintain a database of customer details and to administer amendments.
- x. **The Acknowledgement Form included in the Code package MUST be signed and returned to WSAA within 7 days of receipt.**
