

## BUSINESS AND COMMUNITY WATER SAVERS PROGRAM 2018-19

HUNTER WATER IS OFFERING A SPECIALISED WATER SAVERS PROGRAM TO OUR BUSINESS AND COMMUNITY CUSTOMERS IN 2018-19

You are invited to register for the Business and Community Water Savers Program.

### THE OFFER

The program offers a free water audit to eligible businesses. Businesses that participate in the program have the opportunity to receive a \$10,000 subsidy for a larger water efficiency project.

### BENEFITS

By taking part, your business can expect to:

- Save money on water and energy bills
- Reduce water use by up to 30% (in the area covered by the audit)
- Build a profile in the community as a water efficient business
- Have the opportunity to receive a \$10,000 subsidy to go towards a larger water efficiency project

### SCOPE

The specialised program offers Hunter Water Customers the opportunity for a free audit at any one of the following sites:

- Amenities and commercial kitchens
- Automatic landscape irrigation systems (turf and gardens)
- Holiday Parks
- Swimming Pools.

The customer can nominate what area they would like to have audited.

### IMPLEMENTATION

The audit includes a detailed report outlining actions to improve water efficiency and a cost estimate to implement those actions. The cost of supplying and installing the products depends on the work required.

It is up to the customer if they undertake the recommended actions.

### ELIGIBILITY

Places in the program are strictly limited and will be assigned on a first come first served basis.

To be eligible for the Program, the customer must:

- Be a Hunter Water customer
- Be invited by Hunter Water
- Use at least 2,000kL per year
- Read and accept the terms and conditions of the Program.
