Hunter Water encourages all to get on their bike – at Bikefest!

Hunter Water will be keeping the community hydrated with free chilled water at this weekend's Bikefest Newcastle 2012 on Saturday 5 and Sunday 6 October at the Honeysuckle Precinct.

Bikefest, which is funded through Hunter Water's Community Funding Program, is a weekend of bike rides, races, entertainment, expos and workshops at Honeysuckle and locations along Newcastle's foreshore. It is a celebration of cycling for fun, fitness and smart transport.

Hunter Water shares many of Bikefest's values encouraging a healthy lifestyle and environment.

We are very much proud that one in ten of our employees ride to work on a daily basis, a Hunter Water spokesperson said.

"The Community Funding Program supports community initiatives that promotes people's health and improves the environment. Bikefest embodies Hunter Water's values of health and wellbeing."
